RE: Request for additional information, February monthly report (1/1/2011-1/31/2011)

Dear Maureen,

The Illinois Republican Party is in receipt of your request for additional information dated July 14, 2011, due August 18, 2011 regarding the February monthly report (1/1/2011-1/31/2011).

The February monthly report has been amended to properly reflect the itemized memo entries for reimbursements to individuals on the schedule H4.

In April a compliance software conversion was made to a different software program which does not generate the schedule L-B based on FEC threshold guidelines. Therefore, the amended February monthly report does not include the schedule L-B, but the original February monthly report filed does include the schedule L-B

Sincerely:

Dave Syverson, Treasurer
